From the Principal's Desk...

I welcome the children to the school where as a team we have tried to create a unique educational environment wherein the children from cross cultural experience can learn values, social skills and knowledge inside classroom and beyond. We believe that if

the child's simplicity, curiosity is nurtured in secure and happy environment then the compassionate teaching will lead to passionate learning in effective manner and each child will bloom and sharpen their skills of individual responsibility, obedience, and learn with utmost fun.

I believe that the team of D.M. Public School will work with ardour and diligence to turn mirrors into windows and create new avenues for the students. My best wishes to the students for the forthcoming academic year 2020-21.
